Lilla Sunnersta

is a brand new residential area for students at the universities in Uppsala.

The location is perfect. Close to town, as well as nature.

Your own apartment with a touch of quality

Lilla Sunnersta is a new residential area with apartments for students at the universities in Uppsala.

Apartments with great possibilities. You live in your own apartment, which gives you the freedom to plan your day according to your own tastes and needs. Lilla Sunnersta is perfect for families with children. It features a playground, and day care centers and schools are found close by.

The apartments are well planned, brand new and comfortable. All the apartments feature small, well planned kitchenettes with a stove, refrigerator and freezer. The apartments range from small, handy studios to roomier two-bedroom apartments. All apartments have fibre net for computers, broad band and optional cable-TV access.

In total, there are 220 apartments in Lilla Sunnersta. The red two-story buildings are placed in groups around small yards, open towards the west and the south for maximum sunshine and daylight. It's a green area with trees, shrubberies and the feel of a rural idyll.

There are cycleways and foot paths into town and down to the waters of Mälaren. The bus stop is right next door, and there's plenty of parking space.

In Lilla Sunnersta, you can have your own apartment with a lot of built-in freedom.

In Lilla Sunnersta, you live close to town, the faculties and the university. The city centre is only 7 kilometers away.

Mälaren is within walking distance. Lilla Sunnersta features brand new student housing with a touch of quality. The two-storey buildings are situated at the edge of the great fields by Ultuna, next to Sunnersta residential district.

Lilla Sunnersta is a newly constructed residential area with apartments for students in Uppsala. The location is perfect. Close to town, as well as nature.

Your own apartment, for complete freedom. You can make your own decisions. Studio, well planned kitchenette with full size stove, and freezer. 25 m².

If you want to move in with your partner, or just need some extra space. 1 bedroom, same well equipped kitchenette as the smaller/larger apartments. 40 m².

Perfect for the small family who needs some extra space. Also suitable for sharing with a friend. 2 bedrooms, well planned kitchenette with full size stove, refrigerator and freezer. 51 m².

All apartments have access to a storage space in the attic. Laundry room in a separate building in the yard. Rented unfurnished. The size of the apartments vary, from studios to two bedrooms. Rents start at 3,100 SEK, unfurnished. To let, starting fall of 2005.
